

**Fall Retreat 2017 -- September 29 - October 1 @ Hidden Acres.**

For our Fall Retreat this year, Tamara Shantz will lead us in looking at the spiritual journey from the perspective of the Enneagram – a tool that helps increase our self-awareness. We will explore nine different journeys of the soul: how we experience disconnection from God and our deepest self, and how the Spirit is inviting each of us back home.

In preparation for the retreat, you are invited to read basic descriptions of the Nine personality types outlined by the Enneagram. You don't need to know for sure what type you are, but it may be helpful to come with 2 or 3 of the descriptions with which you most identify. A short description is digitally available for each type attached to this email and/or printed copies are available at church. If you wish to do more reading in advance of the retreat you can visit [www.enneagraminstitute.com/type-descriptions](http://www.enneagraminstitute.com/type-descriptions)

We are asking for volunteers to organize food, 5 meals in total are needed. Perhaps your family would be willing to take on this task. A sign-up sheet is posted on the bulletin board. If you have any questions, please speak with Matthew or Susan.

**From Conrad Grebel:**

The World Remembers: 1914-1918. Every day from Sept 24-Nov 11, the names of 661,818 soldiers and nurses on all sides of the First World War killed in 1917 will be displayed at more than 60 locations around the world. The commemoration is a unique expression of remembrance, reconciliation and education, and shows the enormous human cost of the war. The Mennonite Archives of Ontario Gallery (3rd floor, Conrad Grebel University College) will be one of these display locations. The Gallery is also the location of the exhibit "Sites of Nonresistance: Ontario Mennonites and the First World War."
